EDU20053:
Curriculum, Planning and Assessment:
Practicum 2
– Bachelor of Education
(Early Childhood)

Placement Expectations and requirements

Required days: 20 days full time
Required setting: 2–5 years old (EC setting)

Overview

This is the second Professional Experience Unit of the Bachelor of Education (Early Childhood). Pre-service Teachers are to complete 20 days of supervised professional experience. In preparation for their professional experience, Pre-service teachers will engage with unit materials focusing especially on curriculum planning and assessment. Whilst on professional experience, Pre-service Teachers are expected to involve themselves in the life of the early childhood setting and reflect on their practice and performance in discussion with their Mentor and eLearning Advisor (eLA). Pre-service Teachers will be introduced to all aspects of teaching, through individual and group work, progressing to planning and teaching whole class lessons.

The role of the Mentor in the professional setting is crucial to both the University and the Pre-Service Teacher in facilitating and supporting professional experience. We acknowledge and appreciate the significant time devoted to this task by mentors. We hope that the information contained in this document, clarifies and assists in defining this role, so that this experience is rewarding for all parties.

IT IS THE RESPONSIBILITY OF THE MENTOR TO GUIDE AND SUPPORT PSTs TO ACHIEVE THE PLACEMENT EXPECTATIONS OUTLINED BELOW:

Preparation / prior to placement:
- Communicate prior to the commencement of placement
- Discuss arrival time and dates and other relevant issues

Prepare to discuss expectations:
- Read the Swinburne Professional Experience Handbook.
- Familiarise yourself with the AITSL standards assessed in the Professional Experience Report.
- PSTs Develop and maintain a neat and organised professional experience folder
- PSTs may choose to maintain an attendance diary (PSTs are to complete a minimum of 7.5 hours per day excluding breaks).
- The time varies from setting to setting. Therefore, you must discuss this with your mentor and reach an agreement. You need to remain in the setting for planning/assessment and any related activities.

## Arrange a plan for week 1 including:
- Complete an induction of the educational setting
- PSTs to familiarise themselves with the setting, including philosophy, expectations and policies.
- Mentor and PST to review the expectations and requirements of the placement and the Professional Experience report prior to commencing the professional experience.

At all times:
- Understand and uphold the expectations for professional conduct (e.g. being punctual, dressing appropriately etc.)
- Establish and maintain professional relationships with students, staff and families.
- Assist with daily routines and engage in all aspects of the curriculum.
- Demonstrate initiative by asking for opportunities to assist where possible.
- Assist with daily routines and support teaching and learning of individual students and small groups

Teaching practice:
- Accurately document and organise all observations, planning and reflections.
- Use the Swinburne Online learning plan template provided for all learning plans and negotiate a time for your mentor to review and provide feedback
- Negotiate planning time (4 -12.5 hours per week, around a minimum of 25 hours per week contact time with children. We acknowledge this will vary depending on setting and programs)
- Establish clear learning goals throughout the professional experience.
- Observe modelling and explanation of techniques and strategies for teaching.
- Increase responsibility for teaching as the professional experience progresses
- Consider planning and assessment.
- Initiate and engage in professional discussions with the Mentor about the interconnected relationship between curriculum, planning and assessment. Record reflections about the teaching and communication strategies used by your Mentor.
- Familiarise yourself with all aspects of the curriculum and collaborate with mentor teacher on planning and assessment.
- Discuss classroom management and teaching strategies with their mentor, and trial and embed these throughout your placement.
- Reflect on their practice and ask the mentor for feedback about all aspects of their teaching practice and be open and willing to receive feedback constructively.
- critically reflect on all aspects of your professional experience
- Schedule regular meetings to discuss planning and progress. The mentor should provide ongoing, honest and constructive feedback.
- Collaborate with the mentor teacher to complete and submit the Interim Progress Report and Final Report as outlined in the Reporting Responsibilities section below.
- Obtain a copy on the Interim Report and Final Report for your records.

Supportive resources:

Should you have any queries and/or concerns at any time throughout the practicum, please contact your Pre Service Teachers eLA.

TEACHING EXPECTATIONS:

Throughout this practicum, PSTs are expected to undertake the specific teaching tasks which are outlined below, as a minimum requirement. Any additional teaching opportunities are at the discretion of the Mentor Teacher and in negotiation with the Pre-Service Teacher. As the PST progresses through the placement, they are expected to develop and build on the expectations in outlined in prior days.

Throughout the professional experience placement, the Pre-Service Teacher will be expected to work towards the following assessment tasks:

- Learning plans, including comments by the Mentor and Pre-Service Teacher.
- Reflective practice assignment, recording and evaluating the practicum experience.

Note: As a Mentor your feedback on teaching performance, written plans and reflective practice is important however you are not required, nor expected, to 'mark' written work

### REPORTING RESPONSIBILITIES OF THE MENTOR:

We acknowledge the challenge and responsibility that comes with assessing PSTs. While we may not physically visit the setting, support is available to mentors through the PST's eLA . We place great faith in the professional judgement of mentors and request an honest appraisal of the PSTs progress and final assessment. If a mentor feels that an unsatisfactory result is warranted, their decision will be supported by the University.

- **Day 10:** Discuss the Pre-Service Teacher's progress mid-way through the practicum. In collaboration with the PST the mentor must complete and email the Interim Report to the PST's eLA. If a Pre-Service Teacher is making **unsatisfactory** progress, the Mentor must also complete the Professional Experience Support Plan. If a student is marked as making unsatisfactory progress, the PST's eLA will make contact with the setting.
- **Day 20 (Final Day):** In collaboration with the PST, the mentor must complete and email the Final Report form to the PST's eLA. The Mentor is required to provide an honest assessment of the PST's performance, and sign off on the number of completed days. Any missed days need to be made up in consultation with the Mentor teacher and the missed days policy outlined in the Professional Experience Handbook.

Note: Whilst the Interim and Final Reports need to be completed collaboratively by both the PST and the mentor, the reports MUST be emailed by the mentor. Reports submitted by the PST will not be accepted.

UNIT ASSESSMENT REQUIREMENTS:

Week-by-week
teaching expectations
	Pre-service teacher expectations	Supervising teacher (mentor) expectations
Day 1 – 5	- Set goals for your professional experience before the commencement of placement. Discuss goals with your mentor and identify support you may require. - Establish professional relationships with children, staff and families. - Establish a neat and organised professional experience folder. - Scaffold learning with individual children - Support small group work - Support the teaching of the whole group - Observe and record the teaching and management strategies used by your Mentor - Identify and record the individual needs of the children - Observe and discuss with Mentor, how pre-literacy and pre-numeracy experiences are included in the program.	- Welcome and introduce PST to children, families and staff. Discuss strategies to assist the PST in establishing relationships with students and families. - Discuss expectations, routines and key policies, procedures and documents. - Where possible, share current planning documents with the PST. - Discuss individual children's strengths, needs and interests. - Discuss strategies for teaching children from diverse cultural backgrounds including Aboriginal and Torres Strait Islander children (this can be hypothetical if they are not represented in the class). - Provide opportunities for the PST to scaffold learning with individual children, support small group work and support the planning/teaching of whole class lessons. - Schedule a meeting with the PST by the end of the first week to discuss progress and establish goals for the following week.
Day 6 – 10	- Plan and implement approximately three whole group sessions using the Swinburne Online template. - Trial a range of management strategies, as modelled by Mentor. - Provide feedback to children. - Actively participate in all aspects of the service life including extra curricula activities, professional learning etc. - Continue to reflect on your practice and ask your Mentor for feedback about all aspects of your teaching practice including your planning and communication with children, staff and families. **Initiate a meeting with your Mentor to complete the Interim Progress Report by the end of this week.** **Save a copy of the Interim Report for your personal records.**	- Provide opportunities for the PST to take increased responsibility for group sessions – Approximately three - Support and guide the planning and development of planning, help to interpret observations, share knowledge, question PST's intentions, and discuss ideas. - Provide constructive feedback on all aspects of teaching and set goals for the remaining days. **Schedule a meeting with the PST to complete the Interim Progress Report by day 10 this week and email to eLA.** **Save a copy of the Interim Report for your personal records.** **Complete a Support Plan if required.**

|	Pre-service teacher expectations	Mentor expectations
Day 11 – 15	- Plan and teach the group for a minimum 0.4 of a full time load (Approx. 10-12 hours) Please plan and implement a pre-literacy and pre-numeracy experience in this time. - Embed a range of intentional teaching strategies within your practice, with the support and guidance of your Mentor. - With the support of your Mentor evaluate your learning plans. - Seek ongoing feedback from your Mentor.	- Provide opportunities for the PST to take increased responsibility (a minimum of 0.4 of a full-time load) (Approx. 10-12 hours) in a range of Key Learning Areas where possible. - Provide feedback on learning plans and effectiveness of teaching. - Comment on PST's implemented learning experiences and support PST evaluating the experiences. - Ongoing discussion and support with behaviour guidance.
Day 16 – 20	- Plan and teach the group for a minimum 0.4 of a full time load (Approx. 10-12 hours) - Record reflections about professional strengths and challenges. - Discuss with your Mentor regarding your goals and achievement. Identify professional strengths and needs. - Make a time to meet with your Mentor to review your goals for this placement, set goals for your future placement, and complete the final report. - Negotiate and schedule any missed days **Schedule a meeting with the mentor to complete and submit the Final Report on the last day of placement. Save a copy of the Final Report for your personal records.**	- Ongoing discussion and support with behaviour guidance. - Comment on PST's implemented learning experiences and support PTS evaluating the experiences. - Negotiate and schedule any missed days - Provide constructive feedback on all aspects of teaching and set goals for future development **In collaboration with the PST complete and email the Final Report on the last day of placement (Day 20).** - Save a copy of the Final Report for your personal records.

Professional Experience Reports

All Professional Experience Interim and Final Reports must be completed in collaboration with the PST and submitted via email to the PST's eLA. We place great faith in the Mentors professional judgement and request an honest assessment of the Pre-Service Teacher's (PSTs) progress and final assessment. Considering the level expected for the particular professional experience, Mentor teachers and the nominated supervisors are asked to make a professional judgement and assess the overall performance of the Pre-Service Teacher. In order to satisfactorily complete this practicum, the Pre-service Teacher is required to meet the relevant Australian Professional Standards for Teachers at Graduate stage (AITSL, 2014).

Supervising teachers should apply professional judgements using evidence of the PST's demonstrated knowledge, practice, and engagement in relation to the expected APST descriptors for the stage. Consideration should be given for the placement context and opportunities to encounter relevant experiences enabling the PST to demonstrate the APST. The Australian Professional Standards for Teachers are grouped into 5 sections: Section 1: Planning for learning and teaching, Section 2: Teaching Effectively, Section 3: Creating and Maintaining Supportive Learning Environments, Section 4: Assessing and Providing Feedback for Learning, Section 5: Demonstrating Professional and Ethical Conduct. The Day 10 Interim Report and the Final Report will assess the PST's progress against the 5 APST Standard Sections.

In the Interim Report PSTs can be assessed as:

- SP – Satisfactory Progress (The student is making satisfactory progress at the level indicated)
- WT – Working Towards (The student is working towards satisfactory progress at the level indicated or has not yet had a suitable opportunity to demonstrate competence in this APST Section. In either case, the PST may require additional support for this APST Section in the second half of the placement)
- CC – Cause for Concern (The student is not making satisfactory progress at the level indicated. The PST will require additional support in this APST Section in the second half of the placement and a Support Plan must be submitted with the Interim Report)

In the Final Report PSTs can be assessed as:

- E - Exceeds (APST descriptor has been met above expectation)
- M – Met (APST descriptor has been met)
- NM – Not Met (APST descriptor has not been met) *Please note: If a Pre-service Teacher is awarded a NM for any of the standards, they must receive an "UNSATISFACTORY"
- NE – Not Encountered (No opportunity to meet the APST descriptor). *Please note: Before providing a NE, please consider a supportive reflective discussion about the APST focus area with the PST that will allow the PST to demonstrate their understanding of the APST. This discussion will validate a Met (M) result for the APST focus area.

Examples of evidence for Reports

The following are examples of evidence that may be used to demonstrate competence in each of the AITSL standards. PSTs are **NOT** expected to demonstrate all examples, these are just suggestions. Please refer to the previous pages to determine which standards your PST is expected to be demonstrating in their specific unit. This document covers ALL standards; when the online FINAL REPORT is completed, unit-specific examples are provided in the standard description.

Standard	Examples of evidence
Section 1 Planning for learning and teaching	
1.1 Demonstrate knowledge and understanding of physical, social and intellectual development and characteristics of learners and how these may affect learning	▪ Demonstrates understanding through written observations ▪ Identifies that all students learn in different ways. This is shown through the planning of a range and variety of activities ▪ Recognises students' individual needs. ▪ Anticipates where adjustments are necessary for individual students' needs and plans and implements these adjustments e.g. extension activities, extra support ▪ Makes effective links between their previous and current lessons and students' understandings
1.2 Demonstrate knowledge and understanding of research into how learners learn and the implications for teaching	▪ Identifies that all students learn in different ways. This is shown through their planning and reflection ▪ Identifies individual students' needs in a targeted learning area. Evidence would be in written targeted observations ▪ Sets clear expectations for what the students will learn during the lesson ▪ Identifies that all students learn in different ways ▪ Scaffolding and signposting is evident in teaching and learning. ▪ Responds to learner needs and attempts to involve all students. Adjusts teaching. ▪ Identifies the teaching strategies used to cater for ESL students and students with special needs in written observations and transfers these into lessons
1.3 Demonstrate knowledge of teaching strategies that are responsive to the learning strengths and needs of learners from diverse linguistic, cultural, religious and socioeconomic backgrounds	▪ Identifies the teaching strategies used to cater for diverse students in written observations and transfers these to lesson planning ▪ Uses varied topics, text examples and situations to give a 'voice' to all students ▪ Records and reflects on the inclusiveness of own teaching practice
1.5 Demonstrate knowledge and understanding of strategies for differentiating teaching to meet the specific learning needs of learners across the full range of abilities	▪ Recognises students' specific learning needs and how they are catered for within the learning environment ▪ Extension activities and higher order thinking tasks are evident in lesson planning ▪ Scaffolding and other support strategies are evident ▪ Questions are designed to establish what students have learnt from the lesson ▪ Demonstrates an ability to differentiate between the learning understood and missed ▪ Reflects and subsequently varies teaching strategies for individuals
2.2 Organise content into an effective learning and teaching sequence	▪ Develops well-structured lesson plans within the wider curriculum/curriculum framework context ▪ Uses strategies to structure and sequence the learning e.g. starting with intention, linking to prior learning, using steps, using examples, questioning and giving feedback ▪ Relates the learning to students' lives ▪ Uses strategies to engage students in the content and reflects upon the effectiveness of these
2.3 Use curriculum, assessment and reporting knowledge to design learning experiences,	▪ Provides input into the design of assessment tasks and criteria/rubrics for assessment (where appropriate) ▪ Contributes to marking and moderating assessment tasks (where appropriate)

learning sequences and lesson plans.	▪ Provides feedback to students ▪ Willingly attends parent teacher meetings (where applicable) ▪ Willingly reflects on teaching practice and responds to feedback to influence future teaching ▪ Collects evidence from students of their understanding of concepts in informal and/or formal ways and feedback is provided ▪ Demonstrates effective record keeping ▪ Designs formative assessment items in lesson planning (where appropriate) ▪ Changes their approach to instruction, level of content, or pedagogy in response to collected data over the course of a practicum to meet the needs of students ▪ Reflects on the appropriateness/level of challenge of materials and approaches ▪ Designs tasks in order to lead to assessment (linking to assessment tasks) (where appropriate)
2.5 Know and understand literacy and numeracy teaching strategies and their application in teaching areas.	▪ Demonstrates awareness of the curriculum/curriculum framework documents and policies within the school/Early Learning setting ▪ Teaches/models grammatical and English language conventions ▪ Teaches/models appropriate numerical conventions ▪ Explicitly teaches the language of a content discipline (where appropriate) ▪ Plans and teaches activities that improve the language, literacy and numeracy of students Uses teaching moments to extend the language, literacy and numeracy skills of class and individuals

3.1 Set learning goals that provide achievable challenges for learners of varying abilities and characteristics.	▪ Demonstrates an awareness of the needs to differentiate learning goals and plans strategies to assist students in meeting these goals
	▪ Identifies objectives/goals for students as established by the school/faculty/unit
	▪ Articulates goals for strategies used in class
	▪ Identifies different types of goals/objectives;
	    o content based/driven
	    o classroom management
	    o skills
	    o values
	▪ Establishes clear, stated, achievable learning objectives that match the needs of students
	▪ Ensures that goals are met and checks this
	▪ Articulates goals unambiguously, in different contexts:
	    o lesson plans
	    o learning objectives
	    o classroom management
	    o communicated to students
	    o discussions with Mentor
	    o consistent with unit
	▪ Recognises short and long term planning in lesson plan materials
	▪ Sets learning objectives and develops lesson plan that enable acquisition of this learning objective
	▪ Develops lesson plans that include strategies/activities for different learners
	▪ Adjusts learning goals for individuals

3.2 Plan lesson sequences using knowledge of learners' learning, content and effective teaching strategies.	▪ Demonstrates the ability to develop, teach and assess (with guidance) a unit based on curriculum guidelines (where appropriate) ▪ Demonstrates the ability to reflect on the achievement of learning goals and subsequently adjusts the teaching/learning activities where necessary
Section 2 Teaching Effectively	
1.4 Demonstrate broad knowledge and understanding of the impact of culture, cultural identity and linguistic background on the education of learners from Aboriginal and Torres Strait Islander backgrounds	▪ Proactively asks about cultural backgrounds and the impact on students' learning and uses this information in planning and teaching ▪ Identifies the teaching strategies used to cater for the diverse linguistic backgrounds of Aboriginal and Torres Strait Islander learners in written observations and transfers these to lesson planning (where appropriate) ▪ Shows understanding of and responds to the different circumstances of some students

	▪ Actively liaises with Mentors and support staff in the school and community ▪ Records and reflects on own teaching practice ▪ Researches available programs to support student learning
2.1 Demonstrate knowledge and understanding of the concepts, substance and structure of the content and teaching strategies of the teaching area	▪ Uses and unpacks content specific language, metalanguage ▪ Demonstrates accuracy with content/concepts ▪ Responds to content specific questions from students ▪ Uses a range of observable pedagogies to promote understanding of concepts/content e.g. recognition of prior learning, structuring of key points, uses examples/real world applications to apply to content/concepts, demonstrates knowledge of the concept of procedure ▪ Has a good knowledge of teaching strategies and uses a variety of them to engage students and deliver the content effectively ▪ Reflects on the link between teaching strategies and student understanding of concepts and makes adjustments throughout the teaching process
2.4 Demonstrate broad knowledge of, understanding of and respect for Aboriginal and Torres Strait Islander histories, cultures and languages.	▪ Demonstrates awareness of the curriculum documents and policies within the school ▪ Models respectful/empathetic language and discourse in addressing Indigenous issues ▪ Consults with Mentor regarding pertinent issues ▪ Selects appropriate resources and texts ▪ Plans and incorporates discussion/material that promotes understanding/recognition of Indigenous issues at every opportunity ▪ Demonstrates understanding of the importance of promoting reconciliation between Indigenous and non-Indigenous Australians
2.6 Implement teaching strategies for using ICT to expand curriculum learning opportunities for learners.	▪ Demonstrates an awareness of school policy ▪ Proactively sources resources within the school that would be appropriate for learning experiences ▪ Shows a willingness to communicate digitally ▪ Uses the interactive whiteboard to show the students' learning not just to deliver the content ▪ Uses a variety of ICT which may include communicating digitally, using interactive whiteboards, cameras, computers ▪ Identifies/recognises alternative ICT that could be used in classes ▪ Uses relevant ICT within the teaching and learning program ▪ Uses ICT to promote engagement and understanding - Uses ICT in resource development and planning ▪ Explicitly teaches the use of ICT with students ▪ Explicitly models and teaches the ethical use of ICT

3.3 Include a range of teaching strategies.	▪ Plans and implements lesson activities that encourage critical thinking, creativity and problem solving
	▪ Uses a range of strategies including; Whole group, small groups, individual, ICT, peer scaffolding
	▪ Demonstrates ability (where appropriate) in:
	  ○ Explanation of concepts
	  ○ Industry Based Learning
	  ○ Inductive learning
	  ○ Group work/collaborative
	  ○ discussion management
	  ○ Questioning skills
	  ○ ICT + Web 2.0
	  ○ Graphic organisers
	  ○ Kinesthetic approaches
	▪ Relates strategies appropriately to coherent pedagogies (where appropriate)
	▪ Demonstrates diversity of approaches across a sequence of lessons (where appropriate)
	▪ Demonstrates the ability to change/adapt strategies within a lesson in response to student performance/understanding/engagement (where appropriate)
	▪ Uses effective questioning techniques that maximise participation and encourage higher level thinking

3.4 Demonstrate knowledge of a range of resources, including ICT, that engage learners in their learning.	- Locates and collects resources developed by the school/setting for specific learning programs/units - Uses ready-made resources and creates own resources to enhance learning - Seeks out and uses appropriate internet resources - Uses a diverse range of resources specific to content/concepts - Uses of a range of sources - Uses appropriate conventions regarding academic integrity/referencing, acknowledging of sources - Balances bias/recognition of bias in the use of resources - Provides props, visual aids, cues to support understanding for a student with a wide range of levels of prior knowledge and understanding
3.5 Demonstrate a range of verbal and non-verbal communication strategies to support learner engagement.	- Shows an ability to relate to and work with students e.g. attempts to learn names, converses with individuals, listens, smiles - Moves effectively within a learning space - Body language is open, encouraging and 'safe' - Uses appropriate: - volume - pitch - tone - language - forms of address - grammatical conventions - body language, eye contact, gestures (hands-up) - Responds appropriately to student behaviours/contributions - Asserts themselves in a classroom environment as relevant - Provides informal feedback (inclusive, elaborative) to build student engagement - Uses warm-up activity to engage student participation - Provides feedback to each student - Has an active and engaging presence not seated, narrow, restrictive delivery of teaching - Uses gestures to communicate - Provides clear instruction - Seeks out unresponsive students
3.6 Demonstrate broad knowledge of strategies that can be used to evaluate teaching programs to improve learners' learning	- Collaborates and engages in discussions with other teachers - Reflects at the end of the lesson to inform future work - Guides design and implementation of assessment items - Is actively involved in moderation - Analyses assessment data - Collects feedback from students to inform future planning and teaching - Checks for understanding - Evaluates learning - Surveys student perception of unit - Contributes to level/school discussions regarding learning experiences and assessment
3.7 Describe a broad range of strategies for involving parents/carers in the educative process.	- Prepares a written introduction to parents - Shows an openness/willingness to have parent involvement in classrooms/special events - Willingly becomes involved in PT interviews (if relevant) - Keeps detailed and accurate records of student performance for future reporting (where appropriate) - Uses diaries (homework, feedback) (where appropriate) - Observes the Mentor's engagement with parents and participates in pre-interview preparation - Uses school/pre-school policies/protocols for parent-teacher contact - Use of diaries (homework, feedback) (where appropriate) - Observe and contribute to PT interviews (if appropriate) - Collects school/service newsletters - Observes and discusses strategies for beginning teachers, in regard to encouraging positive involvement with parents
Section 3 Creating and Maintaining Supportive Learning Environments	

1.6 Demonstrate broad knowledge and understanding of legislative requirements and teaching strategies that support participation and learning of learners with disability	▪ Proactively asks about students with a disability and the impact on students' learning ▪ Demonstrates consistency with the modelled support programs being used ▪ Actively liaises with Mentors and support staff in the school and community to develop learning activities

4.1 Identify strategies to support inclusive student participation and engagement in classroom activities	▪ Supports participation with effective questioning i.e. accepts wide range of responses, uses praise/encouragement probes, redirects, asks why, acknowledges student effort & responses
	▪ Provides a range of learning experiences e.g. visual materials, questions rather than didactic, models tasks, uses hands-on activities, relates task to personal experiences
	▪ Knows the students as individuals
	    o Physical classroom environment, including seating plans, to increase participation
	    o Aware of barriers to participation e.g. ASD, culture
	    o Knowledge of personalities in the room (esp. when grouping)
	    o Provides for students to take responsibility for own learning
	    o Walks around the class providing individual support
	▪ Teaches for success
	    o focuses initially on engagement rather than content
	    o communicates expectations of behaviour and learning
	    o repeats key phrases to assist student understanding
	    o uses social scaffolding (pairs to present) in high risk situations
	▪ Uses an enthusiastic and happy tone of voice. Shows a genuine liking of students

4.2 Demonstrate the capacity to organise classroom activities and provide clear directions	▪ Routines and procedures are explicitly taught, modelled and reinforced ▪ Redirects students not following procedures ▪ Lessons have a clear structure that students are aware of and are able to follow (where appropriate) ▪ Timeframes are mainly accurate and appropriate to the task & concentration spans ▪ Expectations are clearly stated for each activity ▪ Provides clear directions ▪ Resources are well organised ▪ Students mainly stay on-task (where appropriate)
4.3 Demonstrate knowledge of practical approaches to manage challenging behaviour.	▪ Establishes expectations, models and reinforces these ▪ Knows the students ▪ Uses a seating plan to prevent/deal with misbehaviour ▪ Understands the difference between proactive management and reactive management and gives priority to proactive strategies ▪ Analyses the causes of misbehaviour. Reflects on lesson plan as a starting point. Reflects and develops a plan of action ▪ Implements the school behaviour management policy and follows through with consequences ▪ Is consistent ▪ Uses visual reminders (signs/posters) ▪ Demonstrates knowledge of behaviour management theories and uses a range of strategies ▪ Researches and seeks help
