

Professional Experience: EDU70015 Professional Experience 1 Important information for Mentors and Pre-service Teachers

Required days: 20 days. Any missed days must be made up.
Required setting: Secondary School – Year 7-12

Overview

This is the *first* Professional Experience Unit of the Master of Teaching (Secondary). Pre-Service Teachers complete 20 days of supervised Professional Experience on a full-time basis. In preparation for their Professional Experience in schools, Pre-Service Teachers will engage with unit materials which prepare them for the placement in a secondary school setting, with focus on observation of classes in both of the Pre-Service Teacher's curriculum areas as well as other school subjects. Whilst on Professional Experience, Pre-Service Teachers are expected to be involved in the life of the school and reflect on their practice and performance in discussion with their Mentor and their Swinburne University tutor. Pre-Service Teachers will be encouraged to deliver short segments of lessons, building towards entire lessons over the placement. To satisfactorily complete this practicum, the Pre-service Teacher is required to meet ALL of the Australian Professional Standards for Teachers (APST) at Graduate stage. The role of the Mentor in the professional setting is crucial to both the University and the Pre-service Teacher in facilitating and supporting professional experience and we acknowledge and appreciate the significant time that is devoted to this task. In an effort to ensure that this experience is rewarding for all parties, we hope that the information contained in this document clarifies and assists in defining the role.

Teaching responsibilities should equate to approximately 0.4 of a full-time load Schedule a meeting with the PST to complete and Interim Progress Report at the end of 10 days of placement. If PST is making UNSATISFACTORY progress please contact the Professional Experience Office immediately Guide the Pre-Service Teacher's observations by asking them to describe specific teaching and management strategies i.e. use of language, beginning and concluding lessons, packing up of equipment at the end of lessons. Encourage Pre-Service Teacher to commence teaching approx. 1 lesson per day (building up to 2 lessons per day by Day 20) - based on 50 min lessons. 	 Observe at least 2 lessons per day across subject areas and year levels and complete observation forms. Remind Mentor to complete the Interim Report on Day 10 of the placement. UNIT ASSESSMENT REQUIREMENTS:

Throughout the professional experience placement, the Pre-Service Teacher will be expected to work towards the following assessment tasks:

- Lesson plans, including comments by the Mentor and Pre-Service Teacher.

Note: As a Mentor your feedback on teaching performance, written plans and reflective practice is important however you are not required, nor expected, to 'mark' written work.

REPORTING RESPONSIBILITIES OF THE MENTOR:

We acknowledge the challenge and responsibility that comes with assessing PSTs. While we may not physically visit the school, support is available to mentors through your PSTs online tutor and the Placements Support Team. We place great faith in the professional judgement of mentors and request an honest appraisal of the PSTs progress and final assessment. If a mentor feels that an unsatisfactory result is warranted, their decision will be supported by the University.

- Day 10: Discuss the Pre-Service Teacher's progress mid-way through the practicum. In collaboration with the PST the mentor must complete and submit the Interim Report form. If a Pre-Service Teacher is making unsatisfactory progress, the Mentor must also complete the Professional Experience Support Plan. If a student is marked as unsatisfactory progress, you will be contacted by your student's online tutor.
- Day 20 (Final Day): In collaboration with the PST, the mentor must complete and submit the Final Report form. The Mentor is required to provide an honest assessment of the PST's performance, and sign off on the number of completed days.

Note: Whilst the Interim and Final Reports need to be completed collaboratively by both the PST and the mentor, the reports **MUST** be emailed by the mentor to your PST's eLearning Advisor. Reports submitted by the PST will not be accepted.

- Note: Whilst the Interim and Final Reports need to be completed collaboratively by both the PST and the mentor, the reports MUST be emailed by the mentor to your PST's eLearning Advisor. Reports submitted by the PST will not be accepted.

The reporting responsibility of the Pre-service Teacher is:

- To make sure all documents are completed in a timely manner and submitted by the required dates. Please note the Interim Progress Report form is part of the practicum hurdle requirement.
- To participate in the interim & end of assessment reporting process.

This professional experience report contains the following sections:

Part A: Interim report – To be completed by day 10

Part B: Final report – To be completed at the end of the professional experience

Part C: Support plan – ONLY to be completed if a Cause for Concern is received on the interim report

Should you have any queries and/or concerns at any time throughout the practicum, please contact the Preservice Teacher's eLearning Advisor directly. The Pre-service Teacher can provide contact details if required.

PART A: INTERIM REPORT - EDU70015

Interim Report – Assessing Pre-service Teacher's progress against each Domain of Teaching

The Australian Professional Standards for Teachers are grouped into three broad Domains – Professional Knowledge (Standards 1 and 2), Professional Practice (Standards 3, 4 and 5) and Professional Engagement (Standards 6 and 7). At the Interim Report stage, Pre-Service Teachers will be assessed as follows:

- SP Satisfactory Progress the student is making satisfactory progress towards this Domain at the level indicated.
- WT Working Towards the student is working towards satisfactory progress towards this Domain at the level indicated or has not yet had a suitable opportunity to demonstrate competence in this Domain. In either case, this Domain may require attention in the second half of the placement (but no additional documentation is required).
- CC Cause for Concern the student is not making satisfactory progress towards this Domain at the level indicated. This Domain will
 require focused attention in the second half of the placement and a Support Plan must be submitted along with the Interim Report.
