

EDU30027: Planning, Teaching and Learning for Infants: Practicum 3

Bachelor of Education -Early Childhood and Primary

Bachelor of Education – Early Childhood

Placement Expectations and requirements

Required days: 15 days full time Required setting: 0-2 years old (EC setting)

Overview

In this Professional Experience Unit, Pre-Service Teachers (PSTs) will complete 15 days of supervised professional experience in an EC infants-based setting. In preparation for professional experience in early childhood settings, PSTs will engage with unit materials that will introduce you to curriculum planning and assessment for infants in early childhood education.

Whilst on professional experience, PSTs are expected to actively participate in the life of the early childhood setting and reflect on your practice and performance with the support of your Supervising Teacher and Online Learning Advisor (OLA). PSTs will be introduced to all aspects of teaching, eventually taking responsibility for planning, implementing and evaluating an indoor and outdoor curriculum including routines for a minimum of three days. Given the length of the practicum and the age of the children, it would not be appropriate for PST to change everything in the existing curriculum. However, PSTs are required to make a significant contribution and introduce some original ideas in their curriculum plan. PSTs are encouraged to engage with contemporary styles of documentation including the use of photographs so should seek information from the Supervising Teacher about any restrictions, policies and guidelines including how PSTs can gain permission from parents.

The role of the Supervising Teacher in the professional setting is crucial to both the University and the PST in facilitating and supporting professional experience. We acknowledge and appreciate the significant time devoted to this task by Supervising Teachers. We hope that the information contained in this document, clarifies and assists in defining this role, so that this experience is rewarding for all parties.

IT IS THE RESPONSIBILITY OF THE SUPERVISING TEACHER TO GUIDE AND SUPPORT PSTs TO ACHIEVE THE PLACEMENT EXPECTATIONS OUTLINED BELOW:

Preparation / prior to placement:

 Communicate prior to the commencement of placement

- Prepare a (paper or online) reflective journal to use for daily classroom observations and reflective practice
- Negotiate arrival time and dates

Prepare to discuss expectations:

- Read the Swinburne Professional Experience Handbook.
- Familiarise yourself with the NQS Quality Areas and AITSL standards assessed in the Professional Experience Report.
- PSTs develop and maintain a neat and organised professional experience folder
- PST's may choose to maintain an attendance diary (PSTs are to complete a minimum of 7.5 hours per day excluding breaks).
- Negotiate planning time (4 -12.5 hours per week, around a minimum of 25 hours per week contact time with children. We acknowledge this will vary depending on setting and programs).

Arrange a plan for week 1 including:

- Complete an induction of the Early Childhood setting
- PSTs to familiarise themselves with the early childhood settings policies and procedures.
- Supervising Teacher and PST to review the expectations and requirements of the placement and the Professional Experience report prior to commencing the professional experience.

At all times:

- Understand and uphold the expectations for professional conduct (e.g. being punctual, dressing• appropriately etc.)
- Establish and maintain professional relationships with children, staff and families.
- Demonstrate initiative by asking for opportunities . to assist where possible.
- Assist with daily routines and support teaching and learning of individual students and small groups
- Interact with families in a professional manner during drop off and pick up times
- Gain permission to record observations and if appropriate use photographs for assessments
- PSTs to use Swinburne Online Learning Plan template.

Teaching practice:

- Accurately document and organise all observations, planning and reflections.
- Use the Swinburne Online Learning Planning template provided for all learning plans and negotiate a time for your supervising teacher to review and provide feedback.
- Establish clear learning goals throughout the professional experience.
- Observe modelling and explanation of techniques and strategies for teaching.
- Increase responsibility for teaching as the professional experience progresses
- Initiate and engage in professional discussions with the Supervising Teacher about the interconnected relationship between curriculum, planning and assessment.
- Collaborate with Supervising Teacher on planning and assessment.
- Record observations about how children engage in your planned experience
- Discuss positive guidance and teaching strategies with their Supervising Teacher, and trial and embed these throughout your placement.
- Reflect on their practice and ask the Supervising Teacher for feedback about all aspects of their teaching practice and be open and willing to receive feedback constructively.
- Provide opportunities for the PST to take increased responsibility for the curriculum
- Schedule regular meetings to discuss planning and progress. The Supervising Teacher should provide ongoing, honest and constructive feedback.
- Collaborate with the Supervising Teacher to complete and submit the Final Report as outlined in the Reporting Responsibilities section below.
- Obtain a copy of the Final Report for your records.

Supportive resources:

Should you have any queries and/or concerns at any time throughout the practicum, please contact your Pre -service Teachers OLA.

TEACHING EXPECTATIONS:

Throughout this practicum, PSTs are expected to undertake the specific teaching tasks which are outlined below, as a **minimum** requirement. Any additional teaching opportunities are at the discretion of the Supervising Teacher and in negotiation with the Pre-service Teacher. As the PST progresses through the placement, they are expected to develop and build on the expectations in outlined in prior days.

UNIT ASSESSMENT REQUIREMENTS:

Throughout the professional experience placement, the Pre-service Teacher will be expected to work towards a Teaching Portfolio demonstrating competency in all APST focus areas required for this unit, which include:

- Practice evidence.
- Learning plans, including comments by the Supervising Teacher and Pre-Service Teacher
- Reflective practice assignment, recording and evaluating the practicum experience

Note: As a Supervising Teacher your feedback on teaching performance, written plans and reflective practice is important however you are not required, nor expected, to 'mark' written work.

REPORTING RESPONSIBILITIES OF THE SUPERVISING TEACHER:

We acknowledge the challenge and responsibility that comes with assessing PSTs. While we may not physically visit the setting, support is available to Supervising Teachers through the PST's OLA. We place great faith in the professional judgement of Supervising Teachers and request an honest appraisal of the PSTs progress and final assessment. If a Supervising Teacher feels that an unsatisfactory result is warranted, their decision will be supported by the University.

Day 5: Discuss the Pre-service Teacher's progress at this point in the practicum. In collaboration with the PST, the Supervising Teacher must **complete and email the Interim Report to the PST's OLA**. If a Pre-service Teacher is making **unsatisfactory** progress, the Supervising Teacher must also complete the Professional Experience Support Plan. If a student is marked as making unsatisfactory progress, the PST's OLA will contact the setting.

Day 15 (Final Day): Please complete and email the Final Report to the OLA, immediately on or the day after the final placement day. Provide a copy to the PST. For a detailed explanation of the assessment and reporting process, please refer to the Professional Experience Handbook. The Supervising Teacher is required to sign off on the number of completed days. Any missed days need to be made up in consultation with the Supervising Teacher and the missed days policy outlined in the Professional Experience Handbook.

Note: Whilst the Final Report needs to be completed collaboratively by both the PST and the Supervising Teacher, the report MUST be emailed by the Supervising Teacher. Reports submitted by the PST will not be accepted.

Week-by-week teaching expectations

Pre-service Teacher expectations

- Discuss your goals and assessment/requirements with your Supervising Teacher
- Familiarise self with the setting and relevant policies, documents and procedures
- Establish relationships with children, staff and families
- Support learning of individual children
- Support small group play
- Under supervision, participate in routines including nappy changing, meal and rest times
- Document observations of children's learning in different play areas/places and different times including routines. You are expected to have completed at least 5 written observations of the children both group and individuals to inform your planning
- Identify and record children's interests and strengths. (Please note: You are expected to work with a small group of children)
- Record reflections on your professional conduct, communication and relationships with children, families and teachers
- Towards the end of this week, you should have developed, implemented and evaluated at least 1 learning plan (using Swinburne Online Learning Plan template). Ask your Supervising Teacher to evaluate and provide feedback and suggestions to inform your next plan.
- Schedule a meeting with Supervising Teacher to discuss progress by the end of the week.
- Complete the interim report on Day 5, in collaboration with your Supervising Teacher.

Supervising Teacher (Mentor) expectations

- Introduce Pre-service Teacher (PST) to children, families and staff, centre philosophies, relevant policies, regulations and general practices
- Discuss individual children's development, interest, routines, needs and relevant background information
- Support participation in nappy, sleep and meal routines
- Share prior and current planning documents with the Pre-service Teacher
- PST is expected to have completed at least 5 written observations of the children both group and individuals to inform the first plan.
- Provide opportunities for the PST to take increased responsibility for the curriculum
- By the end of this week, PST should have developed, implemented, and evaluated at least 1 learning plan using the Swinburne Online Learning Plan Template
- Provide feedback on the learning experience plan. The feedback will support PST to develop the next plan.
- Provide opportunities for the PST to take increased responsibility for the curriculum
- Support the planning of the curriculum; help to interpret observations, share knowledge, question PST's intentions and discuss ideas
- Provide prompts to encourage reflective practice
- Schedule a meeting with the Pre-service Teacher to discuss progress by the end of the week.
- Provide constructive feedback on all aspects of teaching and set goals for the following week.
- Complete the interim report on Day 5 and email to the OLA.
- Save a copy of the interim report for your records.

Jay 1-5

Pre-service Teacher expectations

- Develop and implement at least 1 new learning experience plan based on your evaluation of the first learning experience plan and Supervising Teacher feedback
- Use planned teaching strategies to support learning in your learning experience
- Evaluate the learning experience plan and assess the children's learning
- Interact with families in a professional manner during drop off and pick up times
- Continue to observe children's learning and share your observations with your Supervising Teacher and other educators, if appropriate
- Discuss with your Supervising Teacher about how you can contribute to the room program planning
- Discuss with your Supervising Teacher what taking full responsibility for the curriculum looks like in your placement room, ensuring you both have a shared understanding.
- Take full responsibility for the curriculum for a minimum of three days
- Document children's participation and learning in the planned curriculum in a format that can be shared with children's families and other teachers e.g. narratives, photographs, learning stories
- Discuss with your Supervising Teacher about developmental expectations, children's wellbeing, and behaviour guidance
- Negotiate and schedule any missed days
- Complete the Final Report on the last day (Day 15).
- Save a copy of the final report for your personal records.

Supervising Teacher (Mentor) expectations

- Provide feedback on the implementation of the learning experience plan
- Discuss the relationships between developmental expectations, children's wellbeing, and behaviour guidance
- Share any relevant data such as growth charts, guidelines or important background information that may inform the planning and assessment of children's learning
- Collaborate with the PST to finalise learning plans.
 PST will develop and Implement at least 1 sequenced plan using Swinburne learning plan template.
- Provide opportunities for the PST to take full responsibility for the curriculum for a minimum of three days. Discuss with PST what taking full responsibility for the curriculum entails within the room.
- Provide feedback on plans, documentation and effectiveness of teaching.
- Provide support in the evaluation of plans and the assessment of learning.
- Negotiate and schedule any missed days.
- Provide constructive feedback on all aspects of teaching and set goals for future development
- Complete the Final Report on the last day (Day 15), ideally in discussion with the PST
- Save a copy of the final report for your personal records.

Further information:

Online Learning Advisor (OLA)

Should you have any queries and/or concerns at any time throughout the practicum, please contact the Pre-service Teacher's Online Learning Advisor directly. The Pre-service Teacher can provide contact details if required, however the OLA will reach out to you 48 prior to the placement commencement.

Student Advisors

For urgent concerns our Student Advisors are also available by phone (1300 937 765) 7 days a week between 8am - 9pm Monday to Friday and 10am - 6pm on weekends (AEST/AEDT) or via email (help@swinburneonline.com).

Professional Experience Reports

All Professional Experience Interim and Final Reports must be completed in collaboration with the PST and submitted via email to the PST's OLA. We place great faith in the Supervising Teachers professional judgement and request an honest assessment of the Pre-Service Teacher's (PSTs) progress and final assessment. Considering the level expected for the professional experience, Supervising Teachers and the nominated supervisors are asked to make a professional judgement and assess the overall performance of the Pre-Service Teacher. To satisfactorily complete this practicum, the Pre-service Teacher is required to meet the relevant Australian Professional Standards for Teachers at Graduate stage (AITSL, 2014).

Supervising Teachers should apply professional judgements using evidence of the PST's demonstrated knowledge, practice, and engagement in relation to the expected APST descriptors for the stage. Consideration should be given for the placement context and opportunities to encounter relevant experiences enabling the PST to demonstrate the APST. The Australian Professional Standards for Teachers are grouped into 5 sections: Section 1: Planning for learning and teaching, Section 2: Teaching Effectively, Section 3: Creating and Maintaining Supportive Learning Environments, Section 4: Assessing and Providing Feedback for Learning, Section 5: Demonstrating Professional and Ethical Conduct. The Day 10 Interim Report and the Final Report will assess the PST's progress against the 5 APST Standard Sections.

In the Final Report PSTs can be assessed as:

- E Exceeds (APST descriptor has been met above expectation)
- M Met (APST descriptor has been met)
- NM Not Met (APST descriptor has not been met) *Please note: If a Pre-service Teacher is awarded a NM for any of the standards, they must receive an "UNSATISFACTORY"
- NE Not Encountered (No opportunity to meet the APST descriptor). *Please note: Before providing a NE, please consider a supportive reflective discussion about the APST focus area with the PST that will allow the PST to demonstrate their understanding of the APST. This discussion will validate a Met (M) result for the APST focus area.

Examples of evidence for Reports

The following are examples of evidence that may be used to demonstrate competence in each of the AITSL standards. PSTs are <u>NOT</u> expected to demonstrate all examples, these are just suggestions. Please refer to the previous pages to determine which standards your PST is expected to be demonstrating in their specific unit. This document covers ALL standards; when the online FINAL REPORT is completed, unit-specific examples are provided in the standard description.

Standard	Examples of evidence
	Section 1 Planning for learning and teaching
1.1 Demonstrate knowledge and understanding of physical, social and intellectual development and characteristics of learners and how these may affect learning	 Demonstrates understanding through written observations Identifies that all students learn in different ways. This is shown through the planning of a range and variety of activities Recognises students' individual needs. Anticipates where adjustments are necessary for individual students' needs and plans and implements these adjustments e.g. extension activities, extra support Makes effective links between their previous and current lessons and students' understandings
1.2 Demonstrate knowledge and understanding of research into how learners learn and the implications for teaching	 Identifies that all students learn in different ways. This is shown through their planning and reflection Identifies individual students' needs in a targeted learning area. Evidence would be in written targeted observations Sets clear expectations for what the students will learn during the lesson Identifies that all students learn in different ways Scaffolding and signposting is evident in teaching and learning. Responds to learner needs and attempts to involve all students. Adjusts teaching. Identifies the teaching strategies used to cater for ESL students and students with special needs in written observations and transfers these into lessons
1.3 Demonstrate knowledge of teaching strategies that are responsive to the learning strengths and needs of learners from diverse linguistic, cultural, religious and socioeconomic backgrounds	 Identifies the teaching strategies used to cater for diverse students in written observations and transfers these to lesson planning Uses varied topics, text examples and situations to give a 'voice' to all students Records and reflects on the inclusiveness of own teaching practice
1.5 Demonstrate knowledge and understanding of strategies for differentiating teaching to meet the specific learning needs of learners across the full range of abilities	 Recognises students' specific learning needs and how they are catered for within the learning environment Extension activities and higher order thinking tasks are evident in lesson planning Scaffolding and other support strategies are evident Questions are designed to establish what students have learnt from the lesson Demonstrates an ability to differentiate between the learning understood and missed Reflects and subsequently varies teaching strategies for individuals
2.2 Organise content into an effective learning and teaching sequence	 Develops well-structured lesson plans within the wider curriculum/curriculum framework context Uses strategies to structure and sequence the learning e.g. starting with intention, linking to prior learning, using steps, using examples, questioning and giving feedback

	Relates the learning to students' lives
	 Uses strategies to engage students in the content and reflects upon the
	effectiveness of these
2.3 Use curriculum, assessment and reporting knowledge to	 Provides input into the design of assessment tasks and criteria/rubrics for assessment (where appropriate)

plans.	 Provides feedback to students
	 Willingly attends parent teacher meetings (where applicable)
	 Willingly reflects on teaching practice and responds to feedback to influence future teaching
	Collects evidence from students of their understanding of concepts in
	informal and/or formal ways and feedback is provided
	 Demonstrates effective record keeping
	 Designs formative assessment items in lesson planning (where
	appropriate)
	 Changes their approach to instruction, level of content, or pedagogy in response to collected data over the course of a practicum to meet the
	needs of students
	 Reflects on the appropriateness/level of challenge of materials and approaches
	approachesDesigns tasks in order to lead to assessment (linking to assessment tasks)
	(where appropriate)
2.5 Know and understand literacy	Demonstrates awareness of the curriculum/curriculum framework
and numeracy teaching strategies	documents and policies within the school/Early Learning setting
and their application in teaching	 Teaches/models grammatical and English language conventions
areas.	 Teaches/models appropriate numerical conventions
	• Explicitly teaches the language of a content discipline (where appropriate)
	Plans and teaches activities that improve the language, literacy and
	numeracy of students Uses teaching moments to extend the language,

	Section 2 Teaching Effectively
1.4 Demonstrate broad knowledge and understanding of the impact of culture, cultural identity and linguistic background on the education of learners from Aboriginal and Torres Strait Islander backgrounds	 Proactively asks about cultural backgrounds and the impact on students' learning and uses this information in planning and teaching Identifies the teaching strategies used to cater for the diverse linguistic backgrounds of Aboriginal and Torres Strait Islander learners in written observations and transfers these to lesson planning (where appropriate) Shows understanding of and responds to the different circumstances of some students Actively liaises with Supervising Teacher and support staff in the school and community Records and reflects on own teaching practice Researches available programs to support student learning
2.1 Demonstrate knowledge and	 Researches available programs to support student learning Uses and unpacks content specific language, metalanguage
understanding of the concepts, substance and structure of the content and teaching strategies of the teaching area	 Demonstrates accuracy with content/concepts Responds to content specific questions from students Uses a range of observable pedagogies to promote understanding of concepts/content e.g. recognition of prior learning, structuring of key points, uses examples/real world applications to apply to content/concepts, demonstrates knowledge of the concept of procedure Has a good knowledge of teaching strategies and uses a variety of them to engage students and deliver the content effectively Reflects on the link between teaching strategies and student understanding of concepts and makes adjustments throughout the teaching process
2.4 Demonstrate broad knowledge of, understanding of and respect for Aboriginal and Torres Strait Islander histories, cultures and languages.	 Demonstrates awareness of the curriculum documents and policies within the school Models respectful/empathetic language and discourse in addressing Indigenous issues Consults with Supervising Teacher regarding pertinent issues Selects appropriate resources and texts Plans and incorporates discussion/material that promotes understanding/recognition of Indigenous issues at every opportunity Demonstrates understanding of the importance of promoting reconciliation between Indigenous and non-Indigenous Australians
2.6 Implement teaching strategies for using ICT to expand curriculum learning opportunities for learners.	 Demonstrates an awareness of school policy Proactively sources resources within the school that would be appropriate for learning experiences Shows a willingness to communicate digitally Uses the interactive whiteboard to show the students' learning not just to deliver the content Uses a variety of ICT which may include communicating digitally, using interactive whiteboards, cameras, computers Identifies/recognises alternative ICT that could be used in classes Uses relevant ICT within the teaching and learning program Uses ICT to promote engagement and understanding - Uses ICT in resource development and planning Explicitly teaches the use of ICT with students Explicitly models and teaches the ethical use of ICT
3.3 Include a range of teaching strategies.	 Plans and implements lesson activities that encourage critical thinking, creativity and problem solving Uses a range of strategies including; Whole group, small groups, individual, ICT, peer scaffolding Demonstrates ability (where appropriate) in: Explanation of concepts Industry Based Learning Inductive learning

	 Group work/collaborative
	o discussion management
	 Questioning skills
	o ICT + Web 2.0
	o Graphic organisers
	o Kinesthetic approaches
	 Relates strategies appropriately to coherent pedagogies (where
	appropriate)
	 Demonstrates diversity of approaches across a sequence of lessons
	(where appropriate)
	 Demonstrates the ability to change/adapt strategies within a lesson in
	response to student performance/understanding/engagement (where
	appropriate)
	 Uses effective questioning techniques that maximise participation and
	encourage higher level thinking
